

For the past 12 years, Rally for a Cure has been doing golf events to raise the awareness of Breast Cancer. This past year, they responded to thousands of tennis players who asked to get involved too. They want to spread the life saving message “when breast cancer is detected early, an individual’s chance of survival is increased dramatically.”

On May 17th, 2009, The York Golf and Tennis Club in York Maine, is holding an event to raise money for the Susan G. Komen for the Cure organization. This will be a comprehensive event including tennis, golf and bridge activities. Adults and juniors from the Seacoast area will be participating. Your donation will help make this event a success!

Lisa Wilcott, Tennis Director at the York Golf & Tennis Club would like as many people to participate in this event as possible. “I thought this event would be a fun way to get more people in the community involved. So many people are involved in fund raising activities, but not everyone can participate, so I thought by doing assorted recreational activities for all ages and levels that would cover a broad spectrum of people. Breast cancer affects everyone- not just women. We have Men, Women, and Children that want to participate, so I know it will be a success. This is all for fun and we will be giving away great prizes donated by the organization. Anyone that would like to participate on May 17th is welcome to attend.”

There is a minimum \$20 donation and each person receives a nice prize kit. There will be an adult tennis mixer in the morning from 9-11 and 11-1, High school tennis play at 1:30, golf events at 1:30, and bridge play starting at 1:00. There also is a raffle being held for a trip to Elbow Beach in Bermuda - Tickets are only \$10.each.

Through this event, we will spread the awareness message by including Susan G. Komen Breast Cancer information on techniques for early detection to all of the Rally participants. Additionally, these types of events have fundraisers that generate millions of dollars to the Susan G. Komen for the Cure, so that one day their promise to *eradicate breast cancer* will become a reality.

For info and to participate- please contact Lisa Wilcott or Kathy O’Neil at the York Golf & Tennis Club 207-363-4752. metennis@maine.rr.com For golf info- Carla Robinson 439-3305, For Bridge contact Audrey Peabody 363-1362 or Babe Price 363-0205.
